Access to School Site Arrangements

EYFS and Nursery (Stara Class)

- On arrival at school, all parents are welcomed at the school gate nearest the school office. Children are then led to their classroom.
- At the end of the day all parents are expected to collect their child from their classroom outside gate and escort them safely, on foot, from the school site. Please note that staff will always be available around the outside of the building at this time but the child's safety, wellbeing and behaviour are the responsibility of the parent.
- Staff will always work hard to accommodate individual arrangements for collection but these requests must be made by the parent in person and in advance.

KS1 and KS2

- Pupils must enter and exit the site on foot, pushing bikes and scooters as stated previously.
- On arrival in the morning pupils assemble on the key stage two playgrounds as they are left at the gates on Sunny Lane.
- At 3.10pm KS1 and 3.15pm KS2 will release their children from their classroom doors when they can see a parent/carer.
- Staff will always work hard to accommodate individual arrangements for collection but these must be made by the parent in person and in advance.

Years 5 and 6

- Children are allowed to arrive on site at the beginning of the day and leave at the end of the day unaccompanied – this is entirely the parents' choice and responsibility. Parents must email the school to confirm this.

Access for Staff and Authorised Visitors

- There is no school car park.
- There is parking available on all roads of Upton Cross crossroads. The Parish hall opposite the school has some availability. Staff are advised to park behind the hall. On some occasions the car park is unavailable due to the church funerals or the hall usage, the school will then advise staff or visitors of parking elsewhere.

Access for Disabled Pupils

- Pupils with a **mobility** disability may enter and exit the school site e.g. in a taxi or family car directly outside the school in temporary circumstances. Access arrangements need to be made via contacting the school office.

Dogs

- Dogs are not permitted on any of the school sites (with the exception of assistance dogs and the school dog (if applicable)).
- Please tether dogs well away from all school gates
- Please do not leave dogs unattended at the school gate.

Smoking and Vaping

- Smoking and vaping is prohibited on the school site.

Thank you for your co-operation
