This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2023/2024)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
<p>Offer a range of experiences through our personal development programme.</p> <p>Adventure Week: Reception: Balance bikes, Lanhydrock Year 1: Beach activities, Lusty Glaze Year 2: Badger Forest School, Cardinham Woods Year 3: Rock pooling, Trevone Bay Year 4: Rough Tor hike and orienteering Year 5: Hangloose, The Eden Project Year 6: Surfing, Harlyn</p>	<p>Adventure week and residential opportunities pushed children out of their comfort zones, building confidence and perseverance skills within a safe environment. Children have had a range of life experiences and continue to be more resilient following these experiences.</p> <p>Healthy lifestyle week celebrated sports days and included the teaching of first aid across the school. These were a huge success; the children learnt about sportsmanship, healthy competition and working as part of a team to achieve an end goal. Every child across the school took part in a range of field and track events earning points for their teams and celebrating school sport. Children across the school had the opportunity to take part in a wide variety of alternative sports activities on our school site, take part in healthy lifestyle workshops provided by Healthy Schools Cornwall and experience a wider variety of healthy foods during school lunchtimes.</p>	<p>Continue to map out progression of skills for all sporting experiences and residential for the next academic year. Ensure 100% participation in all events.</p>

<p>PE focus for KS2 Residentials:</p> <ul style="list-style-type: none"> • Year 3: Ninja Warrior experience • Year 5: Manchester City/ Etihad Stadium • Year 6: Olympic Park visit 	<p>97% of children attended our KS2 residential opportunities this year.</p> <p>Improved resilience and teambuilding skills. Children conquered challenges and tested their strength, agility and fitness on a range of obstacles.</p> <p>Children immersed themselves with a stadium tour, learning about its history and the Manchester City team. This inspired, motivated and raised aspirations.</p> <p>Children immersed themselves with a park tour, learning about its creation for the 2012 Olympics and its continuing legacy transformation as a world class sporting venue.</p>	<p>Continue to map out progression of skills for all sporting experiences for the next academic year. Continue to ensure 100% participation in all events.</p> <p>Ensure Year 4 residential has a sporting experience during the next academic year.</p>
<p>Get Set 4 PE scheme of work</p>	<p>On average, 88% of children are meeting or exceeding their end of year expectations for PE.</p> <ul style="list-style-type: none"> • Progression of skills • Enjoyment and engagement in PE lessons • Clear planning and support for teachers (diagrams, videos etc.) • Assessment tool • Pupil profiling tool • Active play time ideas and games 	<p>Continue to use Get Set 4 PE scheme of work during the next academic year.</p> <p>Continue to monitor and support the teaching and learning in PE across the school.</p> <p>Use Get Set 4 PE to track club attendance for all children. This will allow for early intervention.</p>
<p>New PE kits for every child Swimming kits/goggles available</p>	<p>All children safely participate in all PE and swimming sessions.</p>	<p>Ask parents for any kits that children have outgrown for spares.</p> <p>Uniform swap on the last day of term.</p>
<p>Improve water confidence and swimming ability</p>	<p>Y5 & Y6 blocked swimming for 2 weeks.</p> <p>There has been a vast improvement in the numbers of children being able to swim 25m unaided since blocking swimming sessions. This has increased by 30% over the last 3 years. Parents have noticed a huge improvement in water confidence when they have taken children swimming following school lessons.</p>	<p>Teachers to continue to support swimming instructors during sessions – CPD.</p> <p>Keep track of swimming progress and attainment using Get Set 4 PE scheme of work.</p> <p>Book in blocked swimming lessons for this academic year for Year 4, 5 and top sessions</p>

<p>Improve outdoor areas across the school to increase physical activity at break and lunchtimes.</p>	<p>We have seen an increase in active break/lunchtimes and less challenging behaviours during these times.</p> <p>Our climbing boulder continues to challenge pupils, develop hand-eye coordination and body awareness, increase problem solving and decision-making skills and build confidence and self-esteem.</p> <p>Improved go kart provision for the next academic year.</p>	<p>Support staff training will ensure active break and lunchtimes are prioritised and staff know activities and games to set up for children to take part in.</p> <p>Timetable year groups to use all playgrounds to ensure children have access to all active areas across the week.</p> <p>Continue with support staff training next year, focusing on active break times.</p> <p>Complete monitoring to ensure all staff are engaged in activities and playground games with children during these times.</p> <p>Consider making use of the hall during break times – possible dance fit opportunities for children who can find being outside during these times challenging.</p>
<p>Extra-curricular activities: Pupils deemed to be disadvantaged were targeted for after school clubs including ballet, football club (run by Plymouth Argle), multi-sports, tag rugby, yoga, musical theatre, performing arts and summer sports.</p>	<p>56% of children have attended a club during this academic year.</p> <p>Children's surveys showed that 82% of children thought that there was a good range of clubs on offer this year. Children have had the opportunity to take part in a range of sporting activities that many wouldn't have the opportunity to do outside of school. This has increased active time, promoting a healthy active lifestyle.</p> <p>Following sports coaching during PE lessons in KS2, several children have chosen to join clubs outside of school.</p>	<p>Continue the development of an inclusive extra-curricular programme, which will include lunchtime sports clubs to provide children with lots of opportunities to participate in additional physical activity.</p> <p>Continue to involve the school council in decisions about clubs.</p> <p>Continue to promote clubs in assembly and on our newsletter/Facebook.</p> <p>Continue to monitor club attendance using Get Set 4 PE SOW and support families if</p>

		barriers occur. Continue to invite clubs in to support with the running of sports clubs to raise aspiration and enjoyment.
Cornish Pirates, Plymouth Argle & Chance to Shine supporting the delivery of tag rugby, football and cricket.	CPD for class teachers improving teaching and learning and quality of provision.	Invite clubs in to continue to raise aspirations and to work alongside our teaching staff to improve confidence and develop expertise.
Cycling events	Teams took part in a range of cycling events this year. These provided opportunities to meet children from other schools and participate in competitive events.	Take part in a range of Kernow Learning & mid-Cornwall events during the next academic year. Invite a team of staff from across KS1 and KS2 to drive this.
Continue to work on evidencing Healthy Schools status during the next academic year.	We have many children who regularly attend breakfast club. This has had a positive impact on children being ready to learn as soon as the school day begins. These children have access to a healthy, balanced breakfast every day.	Continue to advertise and promote breakfast club during this academic year. Increase staffing when necessary to ensure good attendance.

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	60%	<p><i>We had to move our swimming lessons to the summer term, therefore 2 year groups had the opportunity for swimming lessons this year.</i></p> <p><i>We offer 2-week intensive swimming lessons to x2 year groups within KS2. This is proven to have more impact.</i></p> <p><i>Many of our children do not have the opportunity to swim outside of school.</i></p>
